AFFIRMATION IN OPPOSITION TO APPLICATION FOR RELIEF OF AUTOMATIC STAY OF WELLS FARGO AS TO 32 PROSPECT STREET, SPRING VALLEY, N.Y.

Harvey S. Barr, Esq., an attorney duly admitted to practice before the Courts of the State of New York and the United States Bankruptcy Court for the Southern District of New York, hereby affirms under penalty of perjury as follows:

- 1. I am the attorney for Larry B. Weinstein (the "Debtor") who is one of the owners of the property known as 32 Prospect Street, Spring Valley, NY (Tax ID: Section 57:24-1-22.1) (hereinafter, the Premises).
- 2. On October 10, 2019 the debtor filed a petition for relief pursuant to Chapter 11 of the U.S. Bankruptcy Code.
- 3. At the time of the filing the Debtor was the owner of the Premises together with his ex-wife, consisting of a one (1) family semi-attached residence. Debtor also owns a single family residence located at 7 Stillo Drive, Airmont, New York 10952 together with his ex-wife; a one family residence located at 4833 Marston Lane, Lake Worth, Florida 334667, together with his Daughter; as well as a substantially completed commercial structure located in Spring Valley, New York, owned by a Limited Liability Company in which Debtor is the Sole Member.
- 5. Pursuant to a prior Order of this Court the commercial properties are the subject of continuing litigation in the State Court's.

- 6. The Debtor also owns approximately 3 acres of undeveloped land in Ulster County, New York, which upon information and belief may not be capable of development due to environmental issues.
- 7. Prior to the "stay in place" order by the Governor of New York as a result of Covid-19 an offer was received for the Premises and an inspection performed. The Debtor made several of the improvements to the property required by the inspection in anticipation of the sale. Then the "stay in place" became official. The offeror indicated a reluctance to enter into a final contract.
- 8. Thereafter Counsel directed the Debtor to place a "for sale" sign on the property which prompted the original offeror to renew his offer, through the original broker. A contract was prepared and returned signed by the prospective buyer with a deposit check. In the interim, the posted sign solicited another simultaneous offer which was Five Thousand Dollars (\$5,000) more than the pending offer, with no broker. The second offeror had a mortgage pre-approval (Exhibit 1).
- 9.. After months of negotiations attempting to sell the Premises as represented to this Court and Creditors, the Debtor has found a desirable purchaser and selected the highest and best offer. The proposed contract of sale for the Premises signed by the Buyer and the Debtor is attached (Exhibit 2).
- 10. The Debtor has submitted the proposed contract to his former wife for approval, which Debtor believes will be received provided his non-debtor ex-wife is allowed a portion of the proceeds for her undivided one half interest in the Premises.
- 11. The accepted offer represents an overall increase in the net proceeds to this Estate of almost Twenty Thousand Dollars (\$20,000).

12. Simultaneous, the Debtor performed reasonable due diligence, and

caused an independent appraisal report to be performed which indicated the value of

the premises to be Three Hundred and Fifty Thousand Dollars (\$350,000). (Exhibit 3)

13.. Debtor believes that the selected purchaser is capable of completing this

transaction which represents the highest and best offer based upon Debtors attempts to

market properties of the Estate. This is especially so as the accepted offer is made

directly by the purchaser and there will be no real estate broker's fees.

14. The amount due to the holder of the first mortgage is approximately

\$160,000.00, including interest, taxes and expenses advanced by the lender.

15. Neither the Debtor nor his ex-wife ever occupied the Premises, which was

always income producing. Due to the Debtor's financial distress, as well as the other

personal and health issues affecting Debtor's ability to remain as an attentive landlord,

Debtor decided to sell the "Premises".

16. Debtor is awaiting his ex-wife's response, but believes it is forthcoming

shortly, and perhaps even before the return date of this motion.

WHEREFORE, the Debtor requests that considering the fact that there is

adequate equity in the Premises showing that the secured creditor is adequately

protected and a probable sale is imminent, that that the instant application be denied.

NYSBA PRACTICE FORMS 3/03 RET006.02

- (b) The parties acknowledge that the Escrow Agent is acting solely as a stakeholder at their request and for their convenience, that the Escrow Agent shall not be deemed to be the agent of either of the parties, and that the Escrow Agent shall not be liable to either of the parties for any act or omission on his part unless taken or suffered in bad faith, in willful disregard of this Contract or involving gross negligence. SELLER and PURCHASER shall jointly and severally indemnify and hold the Escrow Agent harmless from and against all costs, claims and expenses, including reasonable attorneys' fees, incurred in connection with the performance of the Escrow Agent's duties hereunder, except with respect to actions or omissions taken or suffered by the Escrow Agent in bad faith, in willful disregard of this Contract or involving gross negligence on the part of the Escrow Agent. If PURCHASER fails to correct a willfull default within fifteen (15) days after receipt of notice from SELLER, SELLER may terminate this Contract, and retain the downpayment made hereunder. The amount retained by Seller shall be considered "liquidated damages" based upon an understanding between the parties hereto that SELLER will have suffered damages due to the withdrawal of the PREMISES from sale to the general public. The damages suffered by SELLER as a result thereof will be substantial, but incapable of determination with mathematical precision. It is, therefore, agreed by the parties that the amount retained by SELLER is not a penalty, but rather a mutually beneficial estimate of the damages suffered by SELLER.

PURCHASER agrees to promptly send to SELLER'S attorney a copy of any bank letter received by PURCHASER granting or declining the mortgage commitment. In the event PURCHASER does not obtain said mortgage commitment by Forty Five (45) Days from Purhcaser & receipt of the fully-executed contract

herein, after the exercise of good faith, then this Contract shall be deemed null and void at the option of either party to this Contract, communicated to the other party, or to the other party's attorney, in writing, via the United States Postal System; and SELLER'S sole liability thereunder shall be the return of all monies paid pursuant to this Contract. If, however, prior to actual denial of PURCHASER'S mortgage application, PURCHASER elects to cancel this Contract pursuant to the provisions of this Paragraph; SELLER may, by notice to PURCHASER'S attorney given within three (3) days thereafter, unilaterally extend the time, for an additional period of not more than thirty (30) days, for PURCHASER to obtain the said mortgage commitment; during which period of time, PURCHASER shall continue to diligently pursue PURCHASER'S efforts to obtain such mortgage commitment.

- (b) A commitment requiring PURCHASER to sell any property, or to discharge any debt, as a condition precedent to closing of the mortgage loan, shall be deemed to be a "mortgage commitment" which shall satisfy the contingent aspect of Paragraph 15(a); however, a Commitment Letter which is subject to an appraisal of the PREMISES, or a credit report of PURCHASER, or a P.M.I. application, and/or verification of PURCHASER'S income, assets or source of funds shall not be deemed to be a "mortgage commitment" for purposes of Paragraph 15(a).

It is further understood and agreed, that the fact that the Seller had consented to making this contract contingemnt upon the ability of the Purchasers to secure a mortgage loan commitment does not imply any consent on the part of the seller to accept any obligations which may be imposed by the Purchaser's lending institution either with regard to the condition of the premises or the closing procedures of the lender, which would in any way amplify or extend the obligation of the Seller that are otherwise set forth in this contract of sale.

If the PREMISES are encumbered by an existing mortgage(s), SELLER agrees to deliver to PURCHASER at closing a duly executed Satisfaction of such Mortgage(s) in proper recordable form for such mortgage(s) together with the underlying note(s) and mortgage(s). Use of Purchase Price to Pay Seller Obligations: 24. If there is anything else affecting the sale of which SELLER is obligated to pay and discharge at CLOSING, SELLER may use any portion of the balance of the purchase price to discharge same. As an alternative, SELLER may deposit money with the Title Insurance Company employed by PURCHASER and required by it to assure its discharge; but only if the Title Insurance Company will insure PURCHASER'S title clear of the matter or insure against its enforcement out of the PREMISES, and if acceptable to the mortgage lender. Scope of Work, Assumptions and Limiting Conditions

Scope of work is defined in the Uniform Standards of Professional Appraisal Practice as " the type and extent of research and analyses in an assignment." In short, scope of work is simply, what the appraiser did and did not do during the course of the assignment. It includes, but is not limited to: the extent to which the property is identified and inspected, the type and extent of data researched, the type and extent of analyses applied to arrive at opinions or conclusions.

The scope of this appraisal and ensuing discussion in this report are specific to the needs of the client, other identified intended users and to the intended use of the report. This report was prepared for the sole and exclusive use of the client and other identified intended users for the identified intended use and its use by any other parties is prohibited. The appraiser is not responsible for unauthorized use of the report.

- 5. The appraiser will not disclose the contents of this appraisal report unless required by applicable law or as specified in the Uniform Standards of Professional Appraisal Practice.
- 6. Information, estimates, and opinions furnished to the appraiser, and contained in the report, were obtained from sources considered reliable and believed to be true and correct. However, no responsibility for accuracy of such items furnished to the appraiser is assumed by the appraiser
- 2. The appraiser assumes that there are no hidden or unapparent conditions of the property, subsoil, or structures, which would render it more or less valuable. The appraiser assumes no responsibility for such conditions, or for engineering or testing, which might be required to discover such factors. This appraisal is not an environmental assessment of the property and
